BEHAVIOUR AND DISCIPLINE

The Trust's aims are to ensure that all children within our schools gain a first-rate education, develop the skills necessary for the next stage in their lives and equip them with the personal values and attributes that will make them successful in a fast-changing world.

The Beyond Schools Trust expects exemplary standards of behaviour from all pupils in its schools, and in all situations inside and outside school. Throughout of all this, the Trust promotes inclusive practices to keep children in education in all but the most serious cases.

The Trust will comply with Government guidelines on pupil suspensions and exclusions; any suspension or exclusion will be considered individually on its merits in accordance with school exclusion policies.

The Trust expects Local Governing Bodies and Headteachers to consult on their school's behaviour statements and procedures. Behaviour statements and procedures should:

- **Promote good behaviour, self-discipline and respect**
- **Prevent bullying, discrimination, prejudice, violence and sexual harassment and misconduct**
- **Set out the range of disciplinary sanctions to be adopted if a pupil misbehaves**
- **Have regard for students with SEND and other specific vulnerabilities.**

Diversity (equality) impact assessment. This policy should not impact adversely on any pupil. Each school's procedures will be monitored by their Local Governing Body (LGB) to ensure equality.

Monitoring arrangements – Each LGB will monitor behaviour to ensure that the behaviour statement and procedures are clear, that they are well understood by staff, parents, and pupils, and that they are consistently applied. It should consider whether it supports:

1. A consistent approach to behaviour management
2. Strong school leadership
3. Classroom management
4. Rewards and sanctions
5. Behaviour strategies and the teaching of good behaviour
6. Staff development and support
7. Pupil support systems
8. Liaison with parents and other agencies
9. Managing pupil transition
10. Organisation and facilities

The LGB should also state whether the behaviour statement and procedures have, where appropriate, been consulted on with pupils, parents and staff. The LGB will also monitor

attendance, including persistent absence by vulnerable groups, and the impact of any strategies to improve attendance.

Panel Constitutions

The LGB is responsible for the hearing of any disciplinary panels and, using its own members if possible but supplemented if necessary, by other local governors from within the Trust, Trustees of the Trust Board, or, if considered advisable, independent members. For disciplinary panel considering the 15 days of suspension threshold, the Panel can go ahead with 2 panel member where a third one is unavailable and the chair has a casting vote for panels to consider. Beyond this threshold, Panels must have three panel members, and the chair must not have sat on the first hearing. All panels must follow DfE guidance. The Trust is responsible for arranging Independent Review Panel and will follow appropriate guidance set out by the DfE in the make up ad roles for these.
