COLLECTIVE WORSHIP POLICY

The Trust's aims are to ensure that all children within our schools gain a first-rate education, develop the skills necessary for the next stage in their lives and are equipped with the personal values and attributes that will make them successful in a fast-changing world.

The funding agreement for the Trust sets out the legal basis for providing collective worship. The Trust recognises that collective worship has a part to play in the development of spiritual, moral, social, and cultural (SMSC) values for children.

Diversity (equality) impact assessment. The arrangements for each school will ensure that diversity and equality are addressed.
