RISK MANAGEMENT POLICY

The Trust's aims are to ensure that all children within our schools gain a first rate education, develop the skills necessary for the next stage in their lives and are equipped with the personal values and attributes that will make them successful in a fast changing world.

The Trust believes that managing risk is an important factor in providing financial probity, safe operation and continuity of business. Risk Management should take place in all layers of policy and procedure. The Trust Board and its FAR committee will monitor the risk management register by report at least twice a year.

Diversity (equality) impact assessment. All assessments should refer to diversity and equality.

Monitoring arrangements – LOCAL GOVERNING BODY will at least annually receive an Academy report from the Headteacher referring to the risk registers for the school and use visits to triangulate evidence of risk mitigation.
