Music at Thomas Aveling

Music at Thomas Aveling is thriving – we have a buzzing department with numerous ensembles and instrumental lessons taking place each week. Students enjoy their lessons and want to spend their time outside of lessons in the Music Department practising – there is a great atmosphere!

With support from the Leadership Team, department ensembles and enrichment time is provided on the timetable – meaning that all our ensembles are timetabled across the fortnight with dedicated lesson time for each. At present we have 60 students in our choir, an orchestra, wind ensemble, strings ensembles, brass group and Year 8 Arts Award enrichment. All of our ensembles perform regularly and we have 80+ students taking instrumental lessons with our visiting teachers.

At Key Stage 4 we deliver AQA GCSE Music, focussing on the Sergeant Pepper and Haydn set works from Year 10 and building listening, composing and performance skills from Year 9. These classes have excellent numbers and the students are keen to learn about all styles of music and love working practically.

At Key Stage 5, students are studying the RSL Music Practitioner course with a focus on the Music Technology Pathway, though with the GCSE students moving forward there is the scope to develop A Level Music or Music Technology.

All students at Key Stage 3 study Music throughout Year 7 and Year 8 with a practical focus on composing and performing.

The Music Department is extremely well resourced, with 7 dedicated practice rooms attached to teaching rooms and an industry-standard recording studio and PCs equipped with Cubase and Sibelius.

This is an exciting time to join the Music Department and keep the momentum of music making alive with young people who are keen to learn, perform and develop as musicians at every level.

Thomas Aveling offers a huge range of CPD and supported development opportunities. Your career progress is important to us and we run many in-house and consortium leadership and management programmes often recognised by national qualifications – there is something for everyone no matter where you are on your career journey.

Support at the school is second to none, so a teacher can really see their career go from strength to strength working within a very rich environment. The school is very friendly, where staff support each other and have a shared ambition for all students to succeed.

OUR BACKGROUND

Thomas Aveling is a great place to work and develop yourself further. The support you receive from colleagues is amazing, both formally and informally. There is a great atmosphere in school where everyone shares in the success of others, wants the very best for our students and really does leave no stone unturned in our support for our students and each other. Please see our last two OFSTED inspections for an independent view of what we do at this marvellous school.

The Thomas Aveling School is one of seven secondary-modern schools in the Medway area. We were the first High School in Medway to be allowed to convert to an Academy as a single establishment; this enabled us to spend additional funds on the needs of our school and hence improve achievement faster. We have since merged with another local Academy Trust and are now one of 5 schools in the Beyond Schools Trust. This provides all staff with additional opportunities to mix with colleagues from other schools and take part in cross-Trust initiatives – providing an extra dimension to your development.

Through the selective system, the top 30 percent of potential students are admitted to local Grammar schools through Medway's selective process rather than to the secondary modern schools. Due to our excellent local reputation, we are regularly oversubscribed by a factor of 3 to 4 applications for every place in Year 7.

Our increasing success at Key Stage 4 (Progress 8 always in the top 20% of ALL schools nationally) has resulted in our Sixth Form expanding. Students are able to choose to study over 25 subjects, combining academic and vocational qualifications, this is further extended by our collaboration with the grammar school in our Trust.

Success in Level 3 courses has risen dramatically to 100% pass rate and average grade has risen from a U(!) to a C grade within the last 5 years, though we are now ambitious to crack into the B average! We have our first students applying to Cambridge this year with a very good prospect of being accepted.

The school draws its students from across the whole of the Medway area. The majority live in rented accommodation and the proportion from advantaged backgrounds is much lower than average. This is a school where you really do feel that you make a difference every day!
